The best choice for multi-function, high-efficiency, and fashion design

VR-4345S digital duplicator is a much more user-friendly model. It needs less time for master making, and it is a very productive office assistant to make print been easier and faster.

Unique U-disk master making function makes print work been more efficient. In addition, it is also cost-effective product, less cost, more creativity.

Master eject capacity is easy for 40 sheets.

Innovative design of paper feeding by double rollers which is much stable. Simultaneously feed paper to guarantee one page input only once time.

With 130PPM fast printing speed, VR-4345S realizes easy processing even for high-volume printing work. In addition, with multi-shift adjustment switches, VR-4345S adapts to different thickness of paper feeding.

Normally 1000 sheets paper-receiving capacity, even can reach 1200 (60g/m²)sheets. Paper feeding tray can heap 950 sheets at once during high-speed printing.

Precise paper feeding pressure adjustment realize excellent printing of various paper types, from 40g-157g/ m². Three shifts pressure adjustment from thin paper to thick paper enhances reliability.

GENERAL

Model:	VR-4345S
Operation mode:	Original mobile scanning, thermal master making, memory printing, A3 scanning, B4 printing.
Scan mode:	Book scan
Original type:	Sheet, Book ($\leq 10\text{kg}$), Two in one
Image processing mode:	Text/Text&Picture/Picture&Text/Picture/Newspaper/Pen-cil/Screen
Original size(min/max):	Min: 50×90mm Max: 310×432mm
Printing area(max):	252×358mm
Master making speed:	19s (A4 vertical)
Resolution:	Scanning: 300×600dpi Master making: 300×400dpi
Duty cycle:	800,000 prints per month
Printing reproduction Ratio:	Reductions: 71%, 81%, 87%, 94%; Enlargements: 100%, 115%, 122%, 141%; Free zoom: 50-200% (1% increment)
Printing speed:	Five Steps Variable (55/ 70/ 85/ 105/ 130 ppm)
Image positioning:	Horizontal: $\pm 10\text{mm}$, Vertical: $\pm 10\text{mm}$
Scanning density:	5 variable (lighter, light, middle, dark, darker)
Master making density:	5 variable (lighter, light, middle, dark, darker)
Master ejecting capacity:	40 sheets
Power supply:	220V, 50Hz, 2A
Rated input power:	120W
Features:	PC-connected printing, U-disk master making, Ink-saving mode, Pencilmode, Newspaper mode, Screen mode, Book-shadow erasure, Programmed Printing, Confidentiality mode, Consumable used-out reminder, Automatic detect original, Energy saving function

PAPER HANDLING

Paper size(min/max):	Min: 90×140mm	Max: 297×420mm
Paper Weight(min/max):	40~ 157g/ m^2	
Paper feeding capacity:	1000 sheets	
Paper receiving capacity:	1200 sheets	
Paper feeding system:	Double roller feeder	

OPTIONAL FUNCTION

Auto shut off, Auto printing pressure adjustment, Network print

OPTIONAL PARTS

Sorter, Color drum

CONSUMABLES

Master supply:	Fully automatic (B4: 90m/roll, 180 masters)
Ink supply:	Fully automatic (600ml/ bottle)
